

**Get your executives responding with the single mindedness of a fire crew.**

# Executive **FIRE** Team

Here's a unique opportunity to develop team skills in a challenging environment.

Call now for available dates

Workshop

**I**t takes teamwork, clear communication and decisiveness to conquer a blazing building. It takes the same skills to conquer the market. Executives with superior team skills are the ones that succeed.

In this hands on, team development workshop you will experience two days of action packed team development activities that are unique and cannot be found anywhere except at a top class firefighting training facility.

Your executives will:

- learn how to make a high performing team
- learn what makes different team members tick
- receive a personal, written Team Management Profile Report
- discover the secret of how to communicate clearly with different team members
- experience real fires and learn to safely use professional firefighting equipment
- practice real teamwork to achieve maximum success in real time simulations

Individuals can attend one of the programmed series of public workshops - or bring the whole team. Workshops are limited to 12 people and can be experienced by male and female executives alike. Workshops are safely operated under controlled conditions and can be undertaken by anyone with an average level of fitness.

Bring your executive, management, sales or leadership teams and learn the secrets of team success in the heat.

**Bookings are now open for executive groups. Courses will be conducted at our Fire Training college, located at 189 Wyndham Street, Alexandria or at other venues by prior arrangement. Call ComSafe for full details about the program on (freecall) 1800 SURVIVE (1800 78 78 48) or email: [comsafe@fire.nsw.gov.au](mailto:comsafe@fire.nsw.gov.au)**

**The cost for the two-day course is \$AUD 1500.00 per person (plus GST).**

**Discounts apply for group bookings.**

**The fee includes individual profile reports, course notes and documentation, protective clothing and equipment. It also includes morning and afternoon tea, lunch and refreshments each day.**

Please note: The Executive Fire Team Workshop is not a prescribed course for industrial fire team training.
